

## 1. General

<b>Authority:</b>	Saudi Standards, Metrology and Quality Organization (SASO)
<b>Regulations:</b>	<p>SASO has made an important announcement regarding the implementation of the mandatory SASO Quality Mark (QM) for some products.</p> <p>Manufacturers and Exporters will need to undergo the Certification process as per the updated requirements of the Technical Regulation M.A-153-15-03-01</p> <p>Upon obtaining the SASO QM Certificate, the Importer can apply for Product Certificate of Conformity (P-CoC) and Shipment Certificate of Conformity (S-CoC) on SASO's SABER Platform. Shipments without the mandatory SASO QM and SABER generated CoCs will be denied clearance at KSA Customs from its implementation date.</p>

**4. How to Apply for a Quality Mark Certificate?**

Applicants can obtain SASO Quality Mark Certificate by applying through SASO's MANEH website,

<https://maneh.saso.gov.sa>

TUV AUSTRIA can apply instead of the client as well.

**5. Certificate Validity**

The Quality Mark Certificate is limited to the scope indicated in it, and may not be used for any other purpose. The validity of the certificate is three calendar years from the date of certificate issuance. The holder of the certificate must apply for a yearly renewal at least 60 days prior to the certificate expiry date, or the application will be considered as new.
